

**Venice Shores Property Owner's Association
Procedure VSPOA-0002 (Canal Obstruction Removal)**

Property or boat owner contacts member of VSPOA Board to report canal obstruction.

Board member secures location of obstruction using address or lot number, location on rear lot line, in feet, and distance from rear lot line, in feet, to obstruction in the canal. He / she also records reporting individual's name, phone number and date of report.

Example - 41526 Clairpointe or Lot #186; 30 feet from North rear lot corner; 25 feet out from the sea wall / John Doe / 586.123.4567 - 9/6/03

Board member contacts the Chairman of the Canal Committee with all required information

Canal Committee Chairman fills out "Canal Obstruction Removal Form". (Attachment #1)

Members of Canal Committee locate obstruction to determine if it is man made or just the canal bottom.
